### Personal Statement

If needed, please attach separate pages to answer the following questions. A paragraph or 2 is sufficient, but feel free to explore them in greater detail, if you wish.

*Please provide a personal statement as to why you are interested in the role of Artistic Director at International Voices Houston. What about the opportunity attracts you?*

*The Artistic Director is responsible for thematic design of the concert season and its individual programs, and for selecting music and other artistic elements. Please describe a hypothetical season: its thematic emphasis, its programs, and its artistic content. (Traditionally, the choir presents a winter/holiday concert in December and a spring concert in May. That is the programmatic formula for the 2025-2026 season.)*

**Personal**

*What are some skills, qualifications or attributes that you believe best serve you in a position like Artistic Director? What specific attributes should the selection committee consider most strongly in evaluating your application?*

*Please provide a URL with any digital files you would like to share as examples of your work and/or performances.*

**Disclaimer and Signature**

*I certify that my answers are true and complete to the best of my knowledge*

*If this application leads to employment, I understand that false or misleading information in my application or interview may result in my release.*
